Building the Future of EMS Education

COVID-19 Precautions for Texas EMS Educators Summit 2021

Please be aware that the safety and well-being of exhibitors, attendees, staff and all involved in Texas EMS Educators Summit 2021 is of utmost importance as conference staff continues in the planning process for the April event. It should be noted that this is a FLUID document, subject to change as COVID-19 guidelines and procedures change.

Version Date: 3/15/2021

Exhibitors and Attendees should **NOT** travel to Texas EMS Educators Summit 2021 if they are feeling unwell or are currently exhibiting any symptoms of the Coronavirus. CDC travel guidelines should be monitored prior to departure.

While the risk remains low at this time, Texas EMS Educators Summit cannot ensure a completely virus-free environment. If you feel your health and safety are at risk or are in a compromised state of health, you are encouraged not to attend.

In an effort to ensure the health and safety of all attendees, exhibitors, and staff, all those who wish to attend Texas EMS Educators Summit 2021 must be willing to receive a point of care rapid COVID test before entering the conference facility on the day of their arrival.

Texas EMS Educators Summit 2021 will be a handshake free event.

The following social distancing procedures will be observed at Texas EMS Educators Summit:

* Please do not enter a facility if you have a fever or have any Coronavirus symptoms.

* Please maintain a minimum distance of 6-ft between yourself and others.

* Please avoid any unnecessary contact with others.

* Please cough or sneeze into a cloth or tissue, if not available, into one's elbow.

All visitors to the Omni Corpus Christi will be subject to screening procedures according to recommended procedures at the time of the event.

Masks or face coverings will be **REQUIRED** while participating in any event sponsored by Texas EMS Educators Summit.

Directional signage will be used to ensure and promote physical distancing in potentially high traffic areas including the education rooms, lobby areas, concourse areas, and concession areas.

Texas EMS Educators Summit staff will be meeting regularly with key Conference stakeholders, including the Omni Corpus Christi to monitor and evaluate the risk in Corpus Christi at the scheduled time of the event.

Texas EMS Educators Summit will also monitor CDC and WHO updates for further information as well as any national, state, or local guidelines, ordinances, or restrictions.
